Dear Sir: The South Atlantic
League opens April 17th.

See if you can get April
7-14-28 I will protect same. Let me
know when you will be ready to
play and I will try and get some
other dates. Work fast on this and
let me know what to do. If can get
these three dates we will both do well
I am sure that the Red Caps will draw
better than any club you could get
because they are well known there.
Hoping an early ^{reply} remain,

Yours truly
J.B. Green
